

# RESIDENT AGREEMENT

## Health Assessments

### 5122-30-23 (A)(2)(c)

The resident agrees to have a medical assessment conducted by a qualified healthcare practitioner within 12 months prior to the date of admission. The assessment shall include, but not be limited to, identifying whether the resident is capable of self-administration of medication and if assistance is needed, the type of assistance.

## Skilled Nursing Care and Changes in a Resident's Health 5122-30-25

The facility, by law, cannot provide skilled nursing care. However, if the resident develops a medical condition for which recovery can be expected to occur with not more than 120 days of skilled nursing care or a medical condition requiring skilled nursing care provided on a periodic, scheduled basis, and the condition requires skilled nursing care to be rendered by the home health agency for less than eight hours a day or less than forty hours a week, the resident may contract with a Medicare home health agency, licensed hospice program or a MH/SUD Provider or Board for not more than 120 days per year. The resident is responsible for arranging and paying for such home health agency services.

If the resident's condition requires more skilled nursing care than permitted under this paragraph, the facility will transfer or discharge the resident, according to rule 5122-30-27 of the Administrative Code.

## Central Locked Storage Space

The facility may provide central locked storage space for resident's funds or other valuables.
